

Questions and Answers for SPED NPA

- 1) Is there a private room to conduct assessments? **Yes**

- 2) Are related services being provided on-site? **Yes or remotely**. Individually, small group or both? **Individually** Are the service being written as push-in? If they are pull out- what space is available for pull-out? **Due to the nature of our program, most of the work is done by pulling out the student from work with their Special Education Specialist or Independent Study Teacher.**

- 3) Do the sites conduct annual mandated screenings and is this conducted on site? **Yes, we conduct mandated screenings on site for IEP's and the health screenings needed every year.**

- 4) If APE is a need, is there space for these types of services. **Adaptive Physical Education is not needed in our program.**

- 5) Is there a need for Case Management and/or Program Admin? These services are not listed on the RFP. Would they be contacted separately. **At this time, we only expect to need a Case Manager for our 504 Plans, but this will depend on our needs and it may change.**

- 6) Nursing/health assessments: do you have someone conducting or coordinating calls to student/families? **The nurse reaches out to student and families and the centers support if needed.**
