

12/20/2021: Question and Answer for Educational Services RFP No. 913

1. Can you please elaborate and clarify expectations of scope regarding Sped services found in Educational Services RFP 913, Scope of Work Section VI.A.5. "Provide guidance and coaching for Special Education Staff".
 - a. OFY-Acton may require guidance and coaching for Special Education Staff to prepare them to navigate any new or updated Special Education Policy. The expectations in regard to providing guidance and coaching for special education staff might include preparing updates specific to new Special Education Policy to share with our Lead Special Education Specialists, providing guidance related to specific situations involving students with disabilities, and coaching through the implementation of any needed program changes.
