1. Narrative description of the Prop 28 arts education program(s) funded. (2500 character limit).

We continue to look forward to the significant role this funding will play in improving arts education programs for our students. During the 24/25 school year, we were able to hire two teachers, a music and art teacher. These teachers travel between two sites each resulting in a total of four school sites in Acton receiving arts education through these funds. In addition, Prop 28 funds were used this year to purchase classroom and student supplies needed for the music and art classes that were offered to students. During this school year, we will continue to explore options of hiring more performing art teachers to serve all school sites in OFY-Acton.
