The main content area displays a presentation slide titled 'Goal 3: Measurable Outcomes'. The slide is divided into two columns: 'Baseline/Actual Outcome' and 'Expected Outcome'. The 'Baseline/Actual Outcome' column lists 'ELA SBAC = Orange' and 'Math SBAC = Yellow', with a '15 point average growth for all students' goal. The 'Expected Outcome' column lists '90% participation for all student groups to maintain a yellow performance indicator in math, and/or improve the orange color ranking in ELA' and 'The average overall lexile growth for all students will improve by at least 15 lexile points'. To the right of the slide is a vertical stack of colorful pencils. Below the slide, a grid of 20 video thumbnails shows participants: Hailey Siegel, Sara Gomez, Jessica Martinez, Sophia Castillo, Joseph Barros, Stephen Smith, Noemy Saucedo, Tamara Thomas, Cynthia Hernandez, Daniela Lup, Regina Bravo, Wendy Gillespie, Alicia Edwards, Brianna Villalpando, Andrea Dalde, and You.
